01 — ABOUT EDSTELLAR

Building a *safer* workplace

Edstellar is an enterprise learning partner that helps organizations build future-ready workforces. Our 2,000+ instructor-led programs are delivered onsite or live online by 5,000+ practitioner trainers, and each one is tailored to your goals. This catalog brings together 57 health, safety and environment (HSE) programs that span occupational health and safety, country safety compliance, safety management and culture, high-risk work and site safety, and environmental and product compliance.

Global leaders including Visa, ABB and Aditya Birla Group trust Edstellar to build capability at enterprise scale. Before any program starts, we look at the real capability gap and the business goal behind it, so every module ties back to outcomes your leaders can measure, not just attendance. The result is safer teams and training they put to work straight away.

07 — CLIENT VOICES

Trusted by *enterprises*

> *The occupational health and safety training reshaped our site culture. Lost time incidents fell across every plant, and our supervisors now lead toolbox talks with real confidence instead of reading from a checklist.*

VP OF OPERATIONS · GLOBAL MANUFACTURING GROUP

> *Their country safety compliance modules kept our multi site expansion audit ready, and the high risk work programs gave our field crews the discipline that permit to work systems demand.*

HEAD OF SAFETY · MULTINATIONAL ENERGY COMPANY

> *Emergency response and fire safety drills finally felt real. The first aid certification pushed our readiness scores higher than on any audit we had passed before.*

DIRECTOR OF EHS · INTERNATIONAL LOGISTICS FIRM

TRUSTED BY **Visa** **ABB** **Aditya Birla Group** & OTHER FORTUNE 500 ORGANIZATIONS
