01 - ABOUT EDSTELLAR

Building *value-driven* procurement functions

Edstellar is an enterprise learning partner that helps organizations build future-ready workforces. Our 2,000+ instructor-led programs are delivered onsite or live online by 5,000+ practitioner trainers, and each one is tailored to your goals. This catalog brings together 12 procurement and sourcing programs that span procurement foundations and source-to-pay, strategic sourcing and category management, supplier and vendor management, contract negotiation, and sustainable procurement.

Global leaders including Visa, ABB and Aditya Birla Group trust Edstellar to build capability at enterprise scale. Before any program starts, we look at the real capability gap and the business goal behind it, so every module ties back to outcomes your leaders can measure, not just attendance. The result is savings and resilience your procurement teams deliver straight away.
